

SCHOOL SONG

Dear East High, you are the school for me.
You will always win the victory.
Red and Black to you we'll be true.
And we will bring great honor to you.
Hip-Hooray! Here's to the Black and Red;
O'er the world your fame is widely spread.
Onward we will do or die
For Dear East High!

FIGHT SONG

E-H-S
E-H-S

We have the right to fight for East High.
Our gallant teams will always try
To be the best teams in the nation,
Although the odds are sometimes high!
Fight! Fight!

We love the Black and Red tradition
Of fighting fair and square tonight;
We're going to fight, fight, fight for victory
A cheer for East! Fight! Fight!

East High School's 136th Annual Alumni Banquet

Thursday, May 9, 2013

BOB SAVAGE
ALUMNI PLAZA

Celebrating the completion of

The Bob Savage Alumni Plaza

The Bob Savage Alumni Plaza Project

The original idea of this stunning project was to build a gazebo in honor of Coach Bob Savage, East High's Football, Baseball and Softball Coach. As with all good ideas, it grew and expanded into what we see today – a modern and multi-use facility, designed by architect Tom Clause.

Bob Savage didn't want this project to be all about him. He didn't mind it being named after him, but he really wanted it to honor all the coaches and all the teams who have played at East.

The Savage Plaza features a modern concession stand and spirit shop, a Memorial Wall, a Wall of Champions, and a Walk of Champions. The Memorial Wall will list over 150 East Alumni members who have purchased plaques. The Wall of Champions will feature a list of East High Volunteers who have dedicated their time and talents to EHS. The Walk of Champions will list the East High Athletic Hall of Fame athletes and coaches.

Bob Savage died during the planning process of this project, but he would be pleased to see the end result. **Take the time to drive by Williams Stadium tonight on your way home from the Banquet and see the Stadium and the Savage Plaza all lit up with the flags blowing in the breeze.** It's a beautiful sight – one for all East High Alumni to be proud of!

Dr. Jack W. Hatchitt

Jack grew up at 2102 Lyon Street, attending eastside public schools. After graduating from East High School in May 1943, he enlisted in the U.S. Marine Corp. During WWII, he was in the battles of Peleliu, Okinawa and the China occupational forces.

Jack took his pre-med classes at Drake University, completing his medical education at Des Moines College of Osteopathic Medicine and Surgery in 1953. Dr. Hatchitt then began his 36-year family practice career in East Des Moines. He

served as Assistant Polk County Medical Examiner for 20 years. As a staff member at Des Moines General Hospital, Jack served on various committees and on the Board of Trustees for 10 years. He also volunteered at various health clinics. Belovedly known as "Dr. Jack", he volunteered as the East High Scarlet's football physician for many years.

Jack loved boxing. He boxed in the Marines and volunteered 40 plus years as the Chief Doctor of the Iowa Golden Gloves Board of Directors, including the National Golden Gloves Tournament.

Jack married Darlene Goetziner in 1947, and they had three sons: Michael, Terry and Jerry. A scholarship has been established in Jack's memory for students entering a medical profession.

Richard Desing

Richard (Dick) M. Desing, a June 1949 East High School graduate, participated in track, swimming and football, among other activities at East. He graduated from Drake University and later earned a Master's Degree from the University of New Mexico. Dick was a career United States Air Force (USAF) pilot, serving 27 years before retiring as a Colonel. His military career started as an enlisted man with the Iowa Air Guard, and he was then activated in 1951. The Guard selected him to become an Officer, and he was later augmented into the Air Force.

The Guard sent him to pilot training, which he completed at the top of his class. Upon graduation he was assigned to F-86D training. Dick was assigned to and became an outstanding member of the Air Defense Command.

As an F-4 pilot he served as a Flight Lead, Instructor Pilot and Functional Test Pilot. Dick flew more than 100 combat missions over North Vietnam. He was awarded the Silver Star for leading a flight of four F-4s that destroyed a key bridge in North Vietnam.

Colonel Desing was the Commander of the 43rd Tactical Fighter Squadron in Alaska, the largest flying squadron in the Air Force. As Squadron Commander, he was proud of their perfect safety record. Also under Colonel Desing's leadership, the 43rd won the Hughes Trophy, awarded to the top fighter squadron in the USAF. Earlier in his career, he was a pilot in the 512 FIS flying the F-86Ds, which also won the Hughes Trophy. After his tour in Alaska, he was assigned to the Air Force Test and Evaluation Center, Kirtland Air Force Base, Albuquerque, New Mexico, from which he retired in 1977. After retiring, he was active in real estate in Albuquerque, building a successful real estate and property management company.

Dick was a Life Member of QB (Quiet Birdmen), Order of Daedalians, Air Force Association, Red River Valley Association, and Military Officers Association of America. He enjoyed volunteering for many of the association activities to support military personnel.

While he traveled the world during his lifetime, Dick remained proud of his Des Moines and East High roots. Dick died in 2010 and is interred at Arlington National Cemetery with full military honors. At his passing, Dick left behind his wife, Edith Ann (Kalny) Desing (EHS '50), children Dana, Clark and David, and twelve grandchildren.

2013 Scholarship Recipients

The East High Alumni Association is very proud to recognize the 2013 East High School scholarship recipients. The 68 "named" scholarships and 20 Foundation Scholarships are being awarded to 58 exceptional graduating seniors. The grand total of scholarships awarded is \$123,400! This is a huge testament to the support of our East High graduates and their future by our alumni. Thank you to all who make this incredible effort happen.

In this program, listed under the scholarship(s) received, our recipients share their plans for higher education, their studies, and their proudest moments in their lives at East High School.

Bottom Row—Louie Fuchberg, Dorothy Yarovsky, Sara Yarovich, Marie Englen, Corrie Krausberg, Lena Nurochsky, Edki Piskolain, Helen Erb, Eli Harvitch.

Did you know?

The Class of 1963 was the last class to have Mid-Year graduation classes.

ORGANIZATIONS

The Boys' Debating Society will start its meetings as soon as the football season closes. Plans for the Girls' Debating Society are being formulated and it is hoped that the society will soon be organized. The girls will need to have the ability to speak in public when equal suffrage becomes universal.

NEWS: The new eighty-six foot flagpole has been put in place and is silently waiting for the event of a flag raising.

EAST HIGH TO CELEBRATE

Just a year ago the students of East High school folded their tents and made that memorable pilgrimage from the old high school building to the palatial new one. It was a big event, not only to the students, but to Des Moines. Now to commemorate this event the seniors at East High have decided to have a big celebration at the school house and to make the celebration an annual affair. Festivities will start at 9:30 o'clock when a festival programme with music and folk dances in costume will be given. The planting of the ivy will be another feature. In the evening the staff of the high school paper, The Quill, will give an original entertainment.
